

PARALEGAL, ASSOCIATE IN APPLIED SCIENCE

College(s): HW, WR

Program Code: 0304

The Associate in Applied Science degree in Paralegal prepares students with the skills to become highly trained paralegals to meet the needs of corporations, law firms and offices, and other sectors where law-related work is performed. Program completion can lead to employment in any area where law-related work is conducted. Paralegals may not provide legal services directly to the public, except as permitted by law. The program is approved by the American Bar Association at Wright College.

To learn more about the Paralegal program at each college, including transfer policies, students can visit the Paralegal program website for their college.

Pathway

This is an **example course sequence** for students interested in Paralegal. It does not represent a contract, nor does it guarantee course availability. If this pathway is followed as outlined, you will earn an Associate in Applied Science (AAS) Degree. All prescribed courses on this pathway are

required for the degree. Courses may not be substituted. Students should meet with a College Advisor for selection of elective courses.

The AAS program at Wright College is approved by the American Bar Association. As a result, students wishing to graduate from the Wright College Paralegal Program will need to take all of their Paralegal (PARALEG) courses at Wright College (with the exception of General Education courses).
