

# SOCIAL WORK: GENERALIST, ASSOCIATE IN APPLIED SCIENCE

College(s): HW\*, KK

Program Code: 0313

*\*Beginning Fall 2016, this program is no longer accepting new students at Harold Washington College. Please refer to the program at Kennedy-King College.*

The Associate in Applied Science degree in Social Work includes the study of the generalist approach to working with the individual, family, group, and community. The degree can lead to employment as an aide to a social worker in government, community, or private social service agencies.
