ARTICLE VII. GETTING SUPPORT AT CCC

Section 7.01 Veterans Education Benefits

Policy History: Veterans Education Benefits (https://catalog.ccc.edu/academic-student-policy/appendix-policy-history/#7-01-history)

In accordance with Title 38 US Code 3679 subsection (e), this school adopts the following additional provisions for any student using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill* (Ch.33) or Vocational Rehabilitation & Employment (Ch. 31) benefits, while payments to the institution is pending from the VA. This school will not:

- Prevent their enrollment;
- Assess a late penalty fee to;
- Require they secure alternative or additional funding;
- Deny their access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students may be required to:

- Produce the VA Certificate of Eligibility (COE) by the first day of class;
- Provide a written request to be certified;
- Provide additional information needed to properly certify the enrollment as described in other institutional policies.

Section 7.02 Advance Pay for Veterans

In order to ease the transition to college, the City Colleges will request Advance Pay for a new or returning student if he/she meets certain eligibility criteria. In order to qualify for Advance Pay, a student must:

- Be enrolled at least half-time in program-applicable coursework, and
- Qualify for the certification of VA benefits in an eligible program (Chapters 30, 35, and 1606 only), and
- Not have received GI Bill benefits through CCC in the previous term, and
- Submit a CCC Advance Pay Form to the VA Certifying Official no later than forty-five (45) days before the start of his/her classes.

At the discretion of the Veteran Certifying Official, some exceptions may be made to these eligibility criteria if documented mitigating circumstances prevented the veteran from applying forty-five (45) days prior to the start of his/her classes.

Per the VA, an Advance Pay will pay the first and second month of benefits. If a student’s first month of classes is a partial month, the payment will be prorated for the number of days in that month. Since the VA normally pays after a month is completed, a veteran would not receive another payment from the VA for up to 3 months. CCC advises that a student consider this gap between payments before he/she chooses to participate in Advance Pay.

If a student requests Advance Pay and decides not to attend CCC or does not qualify for federal veterans educational benefits for any other reason, he/she will be responsible for repaying the amount of the Advance Pay to Veterans Affairs. The earliest that an Advance Pay check will be available for pick-up from the Business Services office is 30 days prior to the start of his/her courses. The Business Services office will notify the student when his/her check has arrived. If a student requests that his/her Advance Pay be applied to his/her tuition and charges, any remaining credit balance will be refunded to the student according to CCC’s regular refund schedule.

Section 7.03 Academic Standards and Veterans

Students who use federal and/or state veterans educational benefits are required to adhere to CCC’s Academic Standing policy (see Academic Standing (https://catalog.ccc.edu/academic-student-policy/student-focused/taking-classes/#3-12-policy)). Students are not subject to the financial aid Satisfactory Academic Progress (SAP) standards unless they are also applying for financial aid (see Satisfactory Academic Progress (https://catalog.ccc.edu/academic-student-policy/student-focused/affording-education/#6-16-policy)), in which case only financial aid benefits are subject to SAP standards.

A veteran, service member, or their family member receiving federal veterans educational benefits can only be certified for courses that are required per his/her Education Plan. Non-required courses will not be eligible for certification. For information about repeated courses and federal veterans educational benefits, see Repeating & Retaking Courses (https://catalog.ccc.edu/academic-student-policy/student-focused/taking-classes/#3-17-policy).

A student who is receiving federal veterans educational benefits is required to submit official transcripts for all colleges he/she previously attended to the Office of the Registrar (http://www.ccc.edu/departments/Pages/Registrar.aspx) by the end of his/her second term of enrollment at CCC. CCC will not certify future terms of enrollment for any student who fails to submit his/her transcripts within this timeline.

Section 7.04 Students Called to Active Military Service

The District supports federal initiatives in times of national emergency which require the activation of individuals and/or the call to active duty of reserve units. In such events, the student will not be disadvantaged due to military service prior to or after the call to active duty.

Any dispute in matters controlled by this policy will be resolved by the College President after involvement of all parties to the issue.

**Section 7.06 Email Account & Portal**

**Procedures**: Email Account & Portal – Procedures [https://catalog.ccc.edu/academic-student-policy/appx-procedures/#7-06-procedure].

CCC provides a free email account to all students, faculty, and staff. CCC sends all official correspondence via the CCC email account only, and takes measures to ensure that email services operate in a reliable and secure environment and comply with the Family Educational Rights and Privacy Act (FERPA).

Students and faculty are responsible for checking their email account frequently for important information, including financial aid, academic advising, grades, registration, communications from faculty or students, important course updates, assignments and deadlines, quiz and exam dates, general information of interest, etc. In some cases, email is the only notification students or faculty may receive.

**Section 7.07 Library Circulation**

**Access to libraries**

The libraries serve current City Colleges of Chicago students, faculty, and staff. A current CCC ID is required (meaning the holder is registered for a given term) to check out materials. All students, faculty, and staff have access to electronic resources (databases, e-books, articles) both on campus and off-campus, with the latter access requiring a CCC username/password for authentication.
Students who were registered in a previous term but not for the current term can access electronic resources using their CCC credentials but are not allowed to check out physical materials such as books from CCC libraries.

Borrowing privileges and off-campus access to electronic resources are not available to CCC alumni.

CCC libraries are open to the public for computer use only and in-library use only of physical materials.

Items can be requested and sent for pickup to the CCC library most convenient for students. Borrowed items can be returned to any CCC library.

Items can be renewed online at library.ccc.edu (https://library2.ccc.edu/iii/encore/?lang=eng), in person at a CCC library, or by telephone. Contact information (https://www.ccc.edu/departments/Pages/Library-System.aspx) for CCC libraries.

Students:

• Loan period is 3 weeks with automatic renewals applied throughout the term, unless a hold has been placed by another patron.
