Financial Aid and Tuition

At City Colleges of Chicago, we are dedicated to helping students get the assistance they may need to attend one of our seven colleges. The Financial Aid Offices at City Colleges of Chicago work closely with students and families to provide financial assistance in the form of grants, loans, and work-study from federal and state resources. The Financial Aid Office is your guide and resource to help make college affordable. Please visit your respective college's Financial Aid Office for more information regarding the financial aid process.

Academic Catalog

Students are assigned an academic career, program, and plan upon enrolling (consistent with Focus Area and Pathway choices made by the student). Students are required to follow the academic program/plan requirements in the Academic Catalog in effect at the time of their enrollment, subject to CCC Academic Policy (<https://catalog.ccc.edu/academic-student-policy/>).

Academic and Student Policy Manual

All students at all times are subject to the current Academic and Student Policy Manual (<https://catalog.ccc.edu/academic-student-policy/>), unless a new board rule has superseded the text in the policy manual. The manual includes detailed policies related to student procedures and protocols including transfer policies, financial aid policies, grade designation, graduation, responsible computer use, and more. The complete Academic and Student Policy Manual can be found at catalog.ccc.edu/academic-student-policy/ (<https://catalog.ccc.edu/academic-student-policy/>)
