## Sample Transfer Pathway

This is an **example course sequence** for students interested in pursuing Accounting. It does not represent a contract, nor does it guarantee course availability. If this pathway is followed as outlined, you will earn an Associate in Arts degree. Students completing the below pathway can also earn the Accounting Clerk Basic Certificate by taking BUSINES 284 Business Communications as an additional course.

An Associate in Arts degree with a concentration in accounting provides students with theoretical and practical skills needed for academic advancement and industry employment within the financial services industry and the general business and professional services area. Specifically, this program is targeting current employees working in the financial sector or students interested in obtaining an entry-level position within the accounting industry.

**Recommended electives may vary by transfer institution. Choose your courses with your College Advisor.**

Institution-specific transfer guides and agreements can be found on CCC's transfer site (<https://www.ccc.edu/services/Pages/Transfer-Guides.aspx>).
