Select one of the following:

Earth Science course 2 | 3
EDUC 203 Educational Psychology 2 | 3
CHEM 201 General Chemistry I 1 | 5
ANTHRO 202 Cultural Anthropology (HD) | 3
**Semester 3** | **14**

POL SCI 201 The National Government 2 | 3
SPEECH 101 Fundamentals of Speech Communication 1 | 3
CHEM 203 General Chemistry II 2 | 5
**Semester 4** | **14**

Total Hours | 60

For information regarding teaching, licensure and certification requirements for the State of Illinois, please visit www.isbe.net (http://www.isbe.net). It is important to note that students must pass Illinois Certification Testing System (ICTS) Test of Academic Proficiency (TAP) test, or have 22 composite ACT score and minimum score of 6 on the Writing portion, or have a composite score of 1110 (evidence-based reading and writing + mathematics = 1110 or higher) and a minimum score of 26 on writing and language for entrance into four-year College of Education institutions.

This is an example course sequence for students interested in pursuing Biology Education. This does not represent a contract, nor does it guarantee course availability. If this pathway is followed as outlined, you will earn an Associate in Science (AS) degree. One course will satisfy the Human Diversity (HD) requirement, and is labeled with an (HD) in the sequence below. Following this pathway will help you get your associate degree, which will increase your chances of transfer to Bachelor’s-level programs of study. Choose Illinois Articulation Initiative (IAI) courses to fulfill general education requirements whenever possible. Visit www.itransfer.org (http://www.itransfer.org) and speak with your college advisor to learn more about IAI.
