Program Code: 0210

Sample Transfer Pathway

Passionate about creative writing? Ever considered a career in writing and/or publishing? The Creative & Publishable Writing (CPW) Pathway is a program concentration within the Associate of Arts degree that seeks to expose learners to a variety of creative writing genres, including fiction, poetry, and non-fiction. This CPW Pathway offers an interdisciplinary approach to creative expression and provides excellent preparation for a job in the publishing industry or a degree in creative writing. It will also serve those interested in transferring to baccalaureate institutions with undergraduate major and/or minor programs in Creative Writing. The CPW Pathway offers many benefits, such as discovering your voice through artistic expression, participating in a writers' community, and gaining experience designing, editing, and publishing. Also, this program can extend beyond creative writing as well. Writing intensive fields such as law, business, and marketing are always looking for people who can "show, not tell" a story through writing. The goal of the program is not to just create creative writers, but creative people.

This is an **example course sequence** for students interested in pursuing Creative and Publishable Writing. This does not represent a contract, nor does it guarantee course availability. If this pathway is followed as outlined, you will earn an AA degree. One course will satisfy the Human Diversity (HD) requirement, and is labeled with an (HD) in the sequence below. Following this pathway will help you get your associate degree, which will increase your chances of transfer to Bachelor's-level programs of study. Choose Illinois Articulation Initiative (IAI) courses to fulfill general education requirements whenever possible.
